

## Becoming An Emergency Shelter Home Orientation Training

MONDAY,  
NOVEMBER 1.  
6:30 TO 7:30 P.M.

Training will be held on Zoom—all Alaskan licensed foster homes are invited. Link will be sent upon registration. One hour of training credit given for this session.

To register or for more information, contact The Alaska Center for Resource Families at [acrf@nwresource.org](mailto:acrf@nwresource.org) or call 1-800-478-7307.

OCS is recruiting foster families to become Emergency Shelter Homes and be available to take children on an emergency basis in your community.

Attend this orientation to learn more about what is required and what it takes to become an emergency shelter home for your area.

### **ABOUT EMERGENCY SHELTER HOMES:**

- There is currently a need across the state.
- Homes must be currently licensed and have at least one year of foster care experience.
- Home should have capacity of three beds and expect placements after hours and on weekends
- Foster care rates are higher for these emergency placements.
- Youth are in your home for a few hours to up to 30 days.
